# ABOUT

# CONFLUENCE 2.0

THE LARGEST INDUSTRY-ACADEMIA MEET

Confluence is the flagship Industry-Academia Meet of Rajagiri Group of Institutions, launched by RSET in 2024. It aims to bridge the gap between academia and industry, fostering mutual growth through knowledge exchange, collaboration, and innovation.

Confluence brings together thought leaders from the industry, academia, government, and startups on a common platform, encouraging productive dialogue, partnership opportunities, and talent nurturing.

Confluence 2024 witnessed participation from over 2000 delegates, many industry partners, and featured keynote addresses, panel discussions, exhibitions, and networking sessions.
